## St Paulus School Flag Day Presentation

St Paulus school had an exposition on the culture of Aruba, the kids and the parents came together to not only educate but also show the kids the culture of Aruba and to help them keep it alive.

## Floyd Mayweather Buys A House In Aruba

The most famous boxer in the world Floyd came to Aruba to celebrate his birthday, he fell so in love with Aruba that he came back 2 weeks later to buy a house, so he can come and enjoy anytime he wants. This was a great promotion for Aruba. He said that Aruba makes him feels like he is home, the people and everything is so amazing and he felt so safe that he had to make Aruba one of his homes.

## **SNBA Goes To Parliament To Speed Up Actions For San Nicolas.**

San Nicolas Business Association took to parliament to meet with the ones in charge to put some fire behind projects and actions for San Nicolas, the time is now. Hey seeing that we are in an election year, this is the only time those who want to be reelected start making moves, and the team of San Nicolas Business Association taking advantage of this.
